CHURCH WALL REPAIR: You would have noticed the damaged wall on the right-hand side of the Church that has been taped with white sticky tape. This is due to years of soil being collected on the outside of the Church and damped the wall, where the plastering is peeling off. This has affected the wiring on the Church as well.

We are hoping to get this fixed before the winter arrives. Near to **£6000** needed to get the soil removed, fix the outside and inside of the wall, to re-plaster, paint and do the new wiring.

We kindly ask all parishioners to get involved in helping to fix the Church building. You can help the Church building Fund by: Standing Order, Cash or use the special Envelopes at the Back of the Church or use the Card Machines in the Church.

DINNER DANCE & RAFFLE TICKET SALE:

The Daughters of Divine Love, who runs the Soup Kitchen in the parish hall, is an international Congregation founded in Nigeria in 1969. They educate, care for, and add value to the lives of the less privileged in society. Their aim is always to serve the less privileged and the marginalized. **11/12th October weekend** they will sell raffle and dinner dance tickets (poster in the notice board) to raise funds to support the charitable work of the Daughters of Divine love congregation. This weekend they are reaching out to you for help in making a difference in the lives of the poor and less privileged in different parts of the world where they are ministering.
