PARISH MOTTO
(That they may all be one)

CHURCH WALL REPAIR: You would have noticed the damaged wall on the right-hand side of the Church that has been taped with white sticky tape. This is due to years of soil being collected on the outside of the Church and dampened the wall, where the plastering is peeling off. This has affected the wiring on the Church as well.

We are hoping to get this fixed before the winter arrives. Near to £6000 needed to get the soil removed, fix the outside and inside of the wall, to re-plaster, paint and do the new wiring. We kindly ask all parishioners to get involved in helping to fix the Church building. You can help the Church building Fund by: Standing Order, Cash or use the special Envelopes at the Back of the Church or use the Card Machines in the Church.
